Dear Elshad
Congratulations again.
I've thought over the situation. Here is my summary .
I expect to receive both the payment that is seven weeks overdue and the payment to come in two weeks. I think best that after this is received we look to form a new arrangement that meets both of our needs.
All the best in Greece. Hope you have a good holiday
Best
Ehud Barak

This new development makes the IL pipe to Cheyhan more relevant. I will call you within the next 48 hrs after you can rest for two days on the laurels. And will discuss all issues.
